**CASE MANAGEMENT ORDER NO. 11**  
**RE: CLASS CERTIFICATION AND MERITS DISCOVERY**

AND NOW, this 30th day of September, 2009, upon consideration of the oral argument held on September 29, 2009, wherein the parties proposed competing schedules for discovery and briefing of class certification, and the court recognizing that Rule 23 requires resolution of class certification at “an early practicable time” following the initiation of suit, FED. R. CIV. P. 23(c)(1)(A), and that “[b]ifurcated discovery is warranted if the interests of economy and reduced costs outweigh any minimal prejudice which would befall plaintiffs from delaying discovery on the merits,” In re Rail Freight Fuel Surcharge Antitrust Litig., 258 F.R.D. 167, 169 (D.D.C. 2009), and the court finding that substantial overlap between class and merits discovery is likely, and that concurrent discovery will promote judicial economy, produce fewer discovery disputes, and result in greater overall efficiency, it is hereby ORDERED that:
