01/27/2016	<a href="#">2020</a>	<p><b>Memorandum Opinion and Order</b> granting the Motions by the Indirect Purchaser Plaintiff Class for Final Approval of the nine settlement agreements (Docs. <a href="#">1987</a> &amp; <a href="#">1988</a> ), and grants in part and denies in part the Motion for Attorney Fees and Expenses, and an Incentive Award to the Class Representatives (Doc. <a href="#">1908</a> ). Final approval of the nine Settlement Agreements is granted pursuant to Federal Civil Rule 23(e). The Indirect Purchaser Settlement Classes meet the requirements of Rule 23 and are therefore certified for the purposes of these settlements. The persons and entities identified in Exhibit A are excluded from the Indirect Purchaser Settlement Classes and are not bound by this Order, and may not make any claim or receive any benefit from the relevant settlement, whether monetary or otherwise. As to the Released Parties, the Class Action and any and all currently pending indirect purchaser class action lawsuits directly related to the subject matter of this litigation are dismissed with prejudice and in their entirety, on the merits, and, except as provided for in the Settlement Agreements, without costs. The Releasing Parties are permanently enjoined and barred from instituting, commencing, or prosecuting any action or other proceeding asserting any Released Claims released in the nine Settlement Agreements against any of the Released Parties. This Order does not settle or compromise any other claims by Class Representatives or the Indirect Purchaser Settlement Classes against the Defendants or other persons or entities other than Released Parties, and all rights against any other Defendant or other person or entity are specifically reserved. Pursuant to Federal Civil Rule 54(b), this Court directs entry of final judgment of dismissal as to the Released Parties, as set forth in its separate orders entered following this Order. This Court retains exclusive jurisdiction over the Class Action and the Settlement Agreements, including the administration, interpretation, consummation, and enforcement of these Settlement agreements. The escrow accounts established by certain of the parties are approved as Qualified Settlement Funds pursuant to Internal Revenue Code Section 468B and related Treasury Regulations.
