I believe that the recent FCC Ruling to allow Comcast and NBC to Merge is extremely Anti-Consumer in nature and should be looked at Very Closely!!!

In that Ruling the FCC requires that Comcast:

“Offers stand alone broadband Internet access services at reasonable prices and of sufficient bandwidth so that customers can access online video services without the need to purchase a cable television subscription from Comcast”

Who is going to Oversee this requirement? As far as I have seen through personal experience; Comcast makes it very difficult to order Internet Service as a “Stand Alone” Service and charges a “Premium Rate” to do so!!

As a private Citizen and Consumer; **I am Very Much Against this merger** being allowed to go forward! I have expressed this to the FCC during their Hearing Period as well as to my Congressmen. Please Stop this Merger from taking place.

Thank You.
