- E. Throughout Respondents' Cable Holdings, Respondents shall negotiate and enter into arms' length, commercial agreements with any Non-affiliated ISP (in addition to Non-affiliated ISPs approved by the Commission pursuant to Paragraphs II.A and II.B. of this Order) that seeks to provide Cable Broadband

ISP Service; *provided, however*, that Respondents may (1) decline to negotiate or decline to enter into such agreements based on cable broadband capacity constraints, other cable broadband technical limitations, or cable broadband business considerations or (2) impose rates, terms, or conditions based on cable broadband capacity constraints, other cable broadband technical limitations, or cable broadband business considerations but, as to either subparagraph E.(1) or E.(2), only so long as such determinations are made without discrimination on the basis of affiliation with respect to all ISPs that enter into or seek to enter into or negotiate agreements with Respondents to provide Cable Broadband ISP Service to Subscribers on Respondents' Cable Holdings and are not based, in whole or in part, on the impact or potential impact on Respondents' ISPs (including but not limited to a decrease or potential decrease in Subscribers on Respondents' ISPs).

- F. The purpose of this Order is to ensure the provision and availability of a full range of Content and services by Non-affiliated ISPs; to prevent discrimination by Respondents as to Non-affiliated ISPs on the basis of affiliation, which would interfere with the ability of the Non-affiliated ISPs to provide a full range of Content and services; and to remedy the lessening of competition in the market for broadband ISP Service as alleged in the Commission's Complaint.

III.

IT IS FURTHER ORDERED that:

- A. Respondents shall not interfere in any way, directly or indirectly, with Content passed in either direction along the Bandwidth contracted for and being used by any Non-affiliated ISP in compliance with the Non-affiliated ISP's agreement with Respondents.

- C. As to any of Respondents' Cable Holdings, Respondents shall not interfere with the ability of a Subscriber to use, in conjunction with ITV services provided by a Person that is not Affiliated with Respondent, interactive signals, triggers, or other Content that Respondents have agreed to carry.
- D. Respondents shall not discriminate on the basis of affiliation in the transmission or modification of Content that Respondents have contracted to deliver to Subscribers over their cable systems.

- E. Respondents shall not enter into any agreement with any MSO that would interfere with the ability of such MSO to enter into agreements with any other ISP or provider of ITV services.

IV.

IT IS FURTHER ORDERED that within each RBOC Territory:

- A. Respondents shall offer DSL Services to Subscribers in those geographic areas in which any of Respondents' Cable Holdings are located and Affiliated Cable Broadband ISP Service or Road Runner is Available at retail pricing, terms, and conditions that are the same as or comparable to those at which Respondents offer DSL Services to Subscribers in those geographic areas in which neither Affiliated Cable Broadband ISP Service nor Road Runner is Available; *provided, however*, that Respondents' pricing may reflect any actual differences in Costs to Respondents charged by the provider of DSL Services. To the extent that Respondents' pricing reflects differences in Costs, Respondents shall include a description of these Cost differences in the reports they are required to submit to the Commission (and the Monitor Trustee) pursuant to Paragraph VII. of this Order.
- B. Respondents shall market and promote DSL Services to Subscribers in those geographic areas in which any of Respondents' Cable Holdings are located and Affiliated Cable Broadband ISP Service or Road Runner is Available at the same or comparable level and in the same or comparable manner as Respondents market and promote DSL Services to Subscribers in those areas in which neither Affiliated Cable Broadband ISP Service nor Road Runner is Available.

V.
