AGREEMENT CONTAINING CONSENT ORDER

The Federal Trade Commission (“Commission”), having initiated an investigation of the acquisition by Cardinal Health, Inc. (hereinafter “Proposed Respondent”) of certain assets of Biotech, and it now appearing that Proposed Respondent is willing to enter into this Agreement Containing Consent Order (“Consent Agreement”) to divest certain assets and providing for other relief:

IT IS HEREBY AGREED by and between Proposed Respondent, by their duly authorized officers and attorneys, and counsel for the Commission that:

1. Proposed Respondent is a company organized, existing and doing business under and by virtue of the laws of Ohio with its office and principal place of business located at 7000 Cardinal Health Place, Dublin, OH 43017.
2. Proposed Respondent admits all the jurisdictional facts set forth in the draft of Complaint here attached.
3. Proposed Respondent waives:
 - a. any further procedural steps;
 - b. the requirement that the Commission’s Decision and Order, which is attached hereto and made a part hereof, contain a statement of findings of fact and conclusions of law;
 - c. all rights to seek judicial review or otherwise challenge or contest the validity of the Decision and Order entered pursuant to this Consent Agreement; and
 - d. any claim under the Equal Access to Justice Act.

4. Because there may be interim competitive harm, the Commission may issue its Complaint in this matter at any time after it accepts the Consent Agreement for public comment.
5. Not later than thirty (30) days after the date this Consent Agreement is signed by the Director of the Bureau of Competition, Proposed Respondent shall submit an initial report, pursuant to Section 2.33 of the Commission's Rules, 16 C.F.R. § 2.33. Proposed Respondent shall also submit subsequent reports every sixty (60) days thereafter until the Decision and Order is accepted for public comment, at which time the reporting obligations contained in the Decision and Order (other than the requirement to submit an initial report pursuant to this Consent Agreement) shall control. Such reports shall be signed by Proposed Respondent and set forth in detail the manner in which Proposed Respondent has complied, is complying, and will comply with the Decision and Order. Such reports will not become part of the public record unless and until the Consent Agreement and Decision and Order are accepted by the Commission for public comment.
6. In each of the reports described in Paragraph 5, Proposed Respondent shall provide sufficient information and documentation to enable the Commission to determine independently whether Proposed Respondent is in compliance with this Consent Agreement and the Order. All reports shall be verified by a notarized signature or sworn statement of the Chief Executive Officer or other officer or director of Proposed Respondent specifically authorized to perform this function, or self verified in the manner set forth in 28 U.S.C. §1746. Section 2.41(a) of the Commission's Rules of Practice requires that an original and two copies of all compliance reports be filed with the Commission. Proposed Respondent shall file the original report and one copy with the Secretary of the Commission, and shall send at least one copy directly to the Bureau of Competition's Compliance Division.
7. This Consent Agreement shall not become part of the public record of the proceeding unless and until it is accepted by the Commission. If this Consent Agreement is accepted by the Commission, it, together with the draft of Complaint contemplated thereby, will be placed on the public record for a period of thirty (30) days and information in respect thereto publicly released. The Commission thereafter may either withdraw its acceptance of this Consent Agreement and so notify Proposed Respondent, in which event it will take such action as it may consider appropriate, or issue or amend its Complaint (in such form as the circumstances may require) and issue its Decision and Order, in disposition of the proceeding.
8. This Consent Agreement is for settlement purposes only and does not constitute an admission by Proposed Respondent that the law has been violated as alleged in the draft of Complaint here attached, or that the facts as alleged in the draft of Complaint, other than jurisdictional facts, are true.
9. This Consent Agreement contemplates that, if it is accepted by the Commission, the Commission may (a) issue and serve its Complaint corresponding in form and substance with the draft of Complaint here attached, and (b) make information public with respect

thereto. If such acceptance is not subsequently withdrawn by the Commission pursuant to the provisions of Commission Rule 2.34, 16 C.F.R. § 2.34, the Commission may, without further notice to Proposed Respondent, issue the attached Decision and Order containing an order to divest and providing for other relief in disposition of the proceeding.

10. When final, the Decision and Order shall have the same force and effect and may be altered, modified or set aside in the same manner and within the same time provided by statute for other orders. The Decision and Order shall become final upon service. Delivery of the Complaint and the Decision and Order to Proposed Respondent by any means provided in Commission Rule 4.4(a), 16 C.F.R. § 4.4(a) – including, but not limited to, delivery to the office within the United States of David P. Wales of Jones Day – shall constitute service as to Proposed Respondent. Proposed Respondent waives any right it may have to any other manner of service. Proposed Respondent also waives any right it may otherwise have to service of any Exhibits incorporated by reference into the Decision and Order, and agrees that it is bound to comply with and will comply with the Decision and Order to the same extent as if it had been served with copies of the Exhibits, where Proposed Respondent is already in possession of copies of such Exhibits.
11. The Complaint may be used in construing the terms of the Decision and Order, and no agreement, understanding, representation, or interpretation not contained in the Decision and Order or the Consent Agreement may be used to vary or contradict the terms of the Decision and Order.
12. By signing this Consent Agreement, Proposed Respondent represents and warrants that it can accomplish the full relief contemplated by the attached Decision and Order (including effectuating all required divestitures, assignments, and transfers) and that all parents, subsidiaries, affiliates, and successors necessary to effectuate the full relief contemplated by this Consent Agreement are within the control of the party to this Consent Agreement.
13. Proposed Respondent has read the draft of Complaint and the Decision and Order contemplated hereby. Proposed Respondent understands that once the Decision and Order has been issued, it will be required to file one or more compliance reports showing that it has fully complied with the Decision and Order.

14. Proposed Respondent agrees to comply with the terms of the proposed Decision and Order from the date it signs this Consent Agreement. Proposed Respondent further understands that it may be liable for civil penalties in the amount provided by law for each violation of the Decision and Order after it becomes final.
