*Defendants.*

Civil Action No. 11-01560 (ESH)

**STATUS REPORT ON  
STIPULATED SCHEDULING AND CASE-MANAGEMENT ORDER**

Plaintiff, the United States of America, in response to the Court's September 6, 2011 Minute Order files the attached proposed Stipulated Scheduling and Case-Management Order on behalf of Plaintiffs and Defendants in lieu of a LCvR 16.3 report. (As the Court is probably aware, the United States filed an Amended Complaint adding several states and have therefore added them to the caption.)

The parties have reached agreement on all aspects of the proposed Order, except an actual trial date, which impacts the intervening dates. Plaintiffs propose Monday, March 19, 2012 to be ready for trial, while Defendants propose Monday, January 16, 2012. The parties are prepared to address their differences on timing at the status conference scheduled for September 21, 2011, along with the other issues raised in the Court's Minute Order.

Dated this 16th day of September 2011.

Respectfully submitted,

FOR PLAINTIFF UNITED STATES OF AMERICA:
