Re: *Edstrom, et al. v. ABI, et al.*
United States District Court for the
Northern District of California, Case No. 13-cv-1309

Dear Judge Chesney:

Plaintiffs respectfully submit that they believe that the facts and law, in their complaint, motion, and opposition papers, were asserted, cited, and argued to the Court, and that consequently, Plaintiffs do not intend to seek leave to file a motion for reconsideration or to amend the Complaint with regard to the state court claims. We therefore, respectfully request that this Court enter final judgment in this matter.

Respectfully submitted:

/s/ Joseph M. Alioto
