RICHARD SEEBORG, District Judge:

WHEREAS, all counsel in this civil action having appeared before the Court for a scheduling conference on August 6, 2010;

WHEREAS, on or before August 9, 2010, Plaintiffs expect to file a motion for preliminary injunction;

The Court orders the following:

- 1. On or before August 5, 2010, subject to an agreement on confidentiality, each Defendant will provide Plaintiffs with a list of custodians from whom documents were produced in response to the United States Department of Justice's Request for Additional Information and Documentary Material (the "Second Request"). On or before August 6, 2010, Plaintiffs will identify up to a total of ten (10) such custodians whose Second Request documents will be produced by Defendants on or before August 10, 2010, in the form that they were produced to the Department of Justice, subject to an appropriate Protective Order. On or before August 10, 2010, subject to an appropriate Protective Order, Defendants will also produce (a) all filings with the United States Department of Transportation concerning their proposed merger and (b) the 4(c) documents filed with the United States Department of Justice with Defendants' respective Hart-Scott-Rodino filings.
- 2. On or before August 11, 2010, Plaintiffs shall list their witnesses (including any experts) from whom live or written testimony, affidavits or declarations will be offered at the hearing. Defendants will do the same on or before 10 a.m. PDT on August 13, 2010.
- 3. On or before August 12, 2010, Plaintiffs shall produce to Defendants (a) all documents (or where there are no documents with such information, a written description) relating to each Plaintiffs' air travel to, from or within the United States for the past five (5) years and indicate whether the Plaintiff in question paid for the air travel and whether the Plaintiff was reimbursed or compensated for the ticket; (b) for each Plaintiff (i) identify each action to which he or she has been a party against an airline and produce a copy of the complaint in that action; and (ii) identify each

action not identified in response to (3)(b)(i) to which he or she was a named party and was represented by any of the counsel for Plaintiffs in this action and produce a copy of the complaint in that action. For each action identified in response to 3(b), the Court will determine the scope of discovery regarding the settlement of each action including the nature of any consideration paid in the settlement. In addition, Defendants expressly reserve their right to ask any questions at depositions regarding these actions and the settlement thereof.

- 4. On or before August 13, 2010, the Parties shall exchange lists of fact witnesses whom they wish to depose.
- 5. The Parties may take depositions of fact and expert witnesses during the period from August 16 to August 27, 2010. Plaintiffs shall be allowed no more than a total of six (6) fact depositions collectively from Defendants with no more than four (4) depositions from either of Continental Airlines, Inc. or collectively of UAL Corporation and United Air Lines, Inc. Defendants shall be limited to four (4) fact depositions.
- 6. On or before August 20, 2010, the Parties shall exchange expert reports, except that Defendants shall provide the expert report of Dan Rubinfeld to Plaintiffs' counsel twenty-four (24) hours before his deposition, if that deposition occurs prior to August 21, 2010. On or before August 25, 2010, each side's expert(s) may submit rebuttal reports.
- 7. The Parties shall simultaneously submit pre-hearing memoranda no later than August 24, 2010. Along with pre-hearing memoranda, the Parties shall submit (a) any written direct examination or declaration in support of their claims or defenses; (b) all exhibits to be used at the hearing that are available; and (c) designations of the deposition testimony of fact or expert witnesses they intend to offer at the hearing that are available. The Parties shall be allowed to supplement the submissions in 7(b)-(c) and shall do so promptly after the supplemental submissions become available, but in no event later than 9:00 a.m. PDT on August 30, 2010. The Parties shall submit any counter-designations no later than two (2) days after receipt of designations, but in no

event later than 9:00 a.m. PDT on August 31, 2010. The Parties shall submit any responses to the pre-hearing memoranda no later than August 30, 2010. All material covered by this paragraph shall be provided to the other Party simultaneously with its submission to the Court.

- 8. A preliminary injunction hearing will be conducted on August 31, 2010, and September 1, 2010, with the possibility of additional time, if the Court deems it necessary, on September 3, 2010. The Court will permit evidence to be presented at the hearing in sworn written declarations or orally, as each party shall so elect, but each party shall have the right to present oral testimony at the hearing in the form of cross-examination of witnesses for whom written direct testimony was submitted.
- 9. The Parties shall submit and exchange post-hearing briefs no later than September 10, 2010.
- 10. The discovery outlined in this Scheduling Order is the only discovery permitted in advance of the preliminary injunction hearing unless permitted by the Court for good cause.
