06/07/2016		TEXT ORDER denying 92 Motion to Compel. First, as to Defendant's request for "high-level" documents evaluating Plaintiff's network that were used by Fallon in considering whether to partner with Plaintiff, the request is moot since Fallon's counsel has represented to the Court that "it had engaged in a search for documents responsive to Request 1 and that no such documents were in its possession, custody, or control." (Document No. 93-1 at p. 5). Second, as to Defendant's request for financial information sufficient to show Fallon's annual revenue, cost, and profit related to the Steward Community Care Plan, the Court is mindful that Fallon is not a party to this litigation and is a business competitor to Defendant. In addition, this Court has previously noted that, while Plaintiff's performance in Massachusetts has some relevance, Plaintiff had agreed to produce documents that appeared sufficient to allow Defendant to evaluate the success or failure of Plaintiff's Massachusetts operations. (Document No. 55 at p. 5). Thus, the requested financial information is unreasonably cumulative, only marginally relevant and production would place an undue burden on Fallon. So Ordered by Magistrate Judge Lincoln D. Almond on 6/7/2016. (Noel, Jeannine) (Entered: 06/08/2016)

04/17/2018		TEXT ORDER: The Court notified the parties in a Notice on November 29, 2017 (ECF No. 338) that it had tentatively decided to grant Defendant Blue Cross & Blue Shield of Rhode Island's Motion for Summary Judgment (ECF No. 157) in this matter. Over the past several months the Court has been working on this complicated matter and has considered the parties' arguments and the applicable law in depth. As a result of this review, the Court has determined that summary judgment should be denied as to all counts in the amended complaint (ECF No. 90). (The reasons for this decision will be set forth in detail in a forthcoming Opinion and Order that is currently being finalized and should enter before the end of the week.) Therefore, this case will be returned to the trial calendar. The parties are directed immediately to begin preparing for trial, which the Court intends to be completed before the end of the summer. A conference will be scheduled for Monday April 30th, at 3 pm to discuss trial dates, jury selection, and to set schedules for pre-trial motions. - So Ordered by Chief Judge William E. Smith on 4/17/2018 (Barletta, Barbara) (Entered: 04/17/2018)
