Subject line: Merger Antitrust Law: Assignment for Class 16

Assignment

Calls for a memorandum to a partner (which may be sent to a client)

Dianne Lockhart has read your memorandum on coordinated effects and now has asked you to write a similar memorandum explaining the unilateral effects theory of anticompetitive harm under the 2010 Horizontal Merger Guidelines. She also would like you to address what qualitative factors, as well as any quantitative measures of upward pricing pressure, the agencies consider in deciding whether a merger is anticompetitive under the unilateral effects theory.

If you have any questions, send me an e-mail. See you in class.
