**Subject:** Introduction

Hi Michael & Barry,

I wanted to drop you a quick note of introduction in light of today's news. I am responsible for Apple's in-house antitrust/competition legal team; I have spent three years here after a decade at the DOJ and the FTC.

I don't believe I have met either of you before but I am looking forward to it. The circumstances (at least from my perspective) could be better but I am committed to working with both of you and developing a best of class antitrust compliance program for iTunes. We are already hard at work developing such a program working with our internal compliance team here at Apple and Kevin Arquit and Matt Reilly at Simpson Thacher. We are hopeful that the program that we will present to you in 90 days will meet our lofty goals. That said, we recognize and expect that you will have thoughts and comments. I really do hope this can be a collaborative effort.

I thought it might be helpful to at least introduce myself at the outset. I am more than willing to get on a call (or a plane) at any time if that would be of interest. And Michael, I apologize for using your Goodwin address . . . I did not have one for your consulting practice. Let me know if there is a better contact.

Kyle
