06/22/2016	432	ENDORSED LETTER addressed to Judge Lorna G. Schofield from Andrew J. Frackman dated 6/10/2016 re: US Airways respectfully requests that the Court permit redactions of the yellow-highlighted portions of the following oppositions briefs to Sabre's Daubert motions and motions in limine and exhibits thereto. ENDORSEMENT: Application GRANTED in part and DENIED in part. The proposed redactions are approved, with the exception of the proposed redactions to Ex. 32 to the Lukmire Declaration. US Airways has not adequately explained why a portion of the Congressional Record, a publicly available government document, should be filed on ECF in redacted form. The Court notes, however, that US Airways has not followed Individual Rule I.C.3 in filing these documents. In the future, US Airways must receive approval from the Court before filing any documents under seal. To do so, US Airways must submit a letter to the Court by email explaining the reasons for seeking to file under seal and attaching the proposed redactions. US Airways must then wait for the Court to approve the redactions. Only after approval may US Airways file documents in redacted form on ECF and in unredacted form under seal. The Court shall set a date for US Airways to file the above-referenced documents in redacted form on ECF in an Order to follow. The Court also notes that it has not received the CD referenced in the last paragraph of this letter. The parties are reminded to submit complete courtesy copies of their motions to Chambers in accordance with Individual Rule III.B.5 after the motions are fully briefed. (Signed by Judge Lorna G. Schofield on 6/21/2016) (ama) (Entered: 06/22/2016)

08/02/2016	483	ORDER granting 392 Motion in Limine. It is hereby ORDERED that US Airways' motion in limine, Dkt. No. 392, to exclude at trial evidence and argument regarding the timing of US Airways' decision to sue is GRANTED. This evidence is excluded under Rule 403, Fed. R. Evid., because its probative value is slight at best where the issue is Sabre's behavior and whether Sabre insisted on anti-competitive contractual provisions, and not US Airways sincerity when it offered alternatives. That limited probative value is substantially outweighed by a danger of unfair prejudice by portraying Plaintiff as a bad actor that deceived Sabre during the 2011 contract negotiation; confusing the issues by focusing on US Airways' motives in eliciting statements from Sabre; and undue delay by requiring a mini-trial about when US Airways actually decided to sue, and perhaps requiring adjudication of complex privilege and work product issues. It is hereby ORDERED that Sabre's motion in limine, Docket No. 489, to exclude at trial evidence and argument about the October 30, 2012 agreement between American Airlines and Sabre, and particularly to argue that the agreement is anticompetitive or to demonstrate Sabre's alleged market power, is DENIED as moot in light US Airways stated intention not to introduce the document on its case in chief. 09/15/2016	527	ORDER denying 492 Motion in Limine. It is hereby ORDERED that Sabre's motion in limine, Docket No. 492, is DENIED. The Court previously found in the Kasper Order that the referenced statements are relevant and admissible under Rule 403. Sabre's concern that the statements in the documents may be mischaracterized is addressed by allowing the documents to be introduced in evidence. Sabre objects that the DOJ (but not the DOT) documents are inadmissible hearsay. That objection is overruled to the extent that US Airways seeks to introduce "[a] record or statement of a public office [that] sets out...factual findings from a legally authorized investigation," as any such documents are exempt from the hearsay rule. See Fed. R. Evid. 803(8). The Clerk of the Court is directed to close the motion at Docket No. 492. (Signed by Judge Lorna G. Schofield on 9/15/2016) (mro) (Entered: 09/15/2016)

		<p>remove any exhibits that the parties are not reasonably likely to use at trial, considering the time necessary to have disputed exhibits admitted, and to have admitted exhibits published and or/explained to the jury; and (iv) remove any indications of objections that have been resolved. The parties shall email the revised exhibit lists to chambers no later than 10:30 a.m. on September 26, 2016 and shall bring at least 3 hard copies for the Court to the conference. ORDERED that by September 23, 2016, at 9:00 a.m. each party (i.e. Sabre and U.S. Airways) shall identify 5-10 separate exhibits as to which that party objects that are representative of other exhibits as to which that party objects, so that the Court may rule on admissibility. The Courts rulings will permit the parties to determine the admissibility of the other similarly situated exhibits. The parties shall submit a cover letter identifying each exhibit and explaining the basis for objection. The side seeking admission of the exhibit may respond at the September 26, 2016 conference. ORDERED that by September 23, 2016, at 9:00 a.m. each party (i.e. Sabre and U.S. Airways) shall identify no more than 10 separate written discovery designations as to which that party objects that are representative of other designations as to which that party objects, so that the Court may rule on admissibility. 11/09/2016	667	ORDER denying 654 Motion to Seal Document 654 THIRD PARTY LETTER MOTION to Seal Document <i>regarding Spirit Airlines' Unopposed Motion to Protect</i>

		<p><i>Its Confidential Pricing Information from Public Disclosure</i> addressed to Judge Lorna G. Schofield from Douglas Patton and James Almon date. ORDERED that Spirits motion is DENIED. As an airline that appears to have been able to negotiate an agreement without some of the contract provisions at issue in the present case, Lowry's testimony about the agreement, including pricing, motivation, and negotiation strategy, among other things, is relevant to this case. Spirit has not carried its burden on showing the harm that it would suffer or that the information at issue is not stale. There is a strong presumption of access to judicial documents and an open court based on need for federal courts...to have a measure of accountability and for the public to have confidence in the administration of justice. US v. Amodeo, 71 F.3d 1044, 1048 (2d Cir. 1995). The very strong public interest in having an open trial and in having not only the jury, but also the public understand what the trial is about outweigh Spirits privacy interests. The Clerk of Court is directed to close docket number 654. (Signed by Judge Lorna G. Schofield on 11/9/2016) (mt) (Entered: 11/09/2016)</p>
