03/19/2010	29	<p>STIPULATION AND ORDER REGARDING ESI DISCOVERY AND ESI-RELATED PRIVILEGE ISSUES: Pursuant to the Pretrial Scheduling Order entered by the Court on March 4, 2010 [Dkt. No. 25], plaintiff Carl Blessing and defendant Sirius XM Radio Inc. ("Sirius XM"), by and through their counsel, submit this Joint Stipulation and Order setting out the understandings they have reached regarding discovery of electronically stored information ("ESI") and ESI-related privilege issues in the above-captioned action (the "Action"). I. GENERAL PROVISIONS; A. The parties will prepare their production documents, to the extent reasonably practicable, in accordance with the specifications outlined in the "Technical Specifications for Production" attached as Exhibit A. To the extent that production of any documents in accordance with the formats specified in Exhibit A is</p>

not reasonably practicable, the parties shall meet and confer in accordance with the procedure set out in the Advisory Committee Notes to the 2006 Amendments to Rule 34 to identify a reasonable, alternative format in which the documents may be produced. B. The parties will mutually seek to reduce the time, expense, and other burdens associated with discovery of ESI in the Action, including the management of any ESI-related privilege issues. To that end, they shall meet and confer regarding: (a) the specific custodians or sources from which ESI may be produced in the Action; (b) the search terms that may be used to identify responsive ESI for production in the Action; (c) the relevance, burden, and need for the production of any ESI created on or before the date on which the merger of Sirius XM's predecessor entities closed, with the exception of ESI included in submissions made by Sirius XM's predecessor entities in connection with the Regulatory Inquiries, as that term is defined in plaintiffs First Request for Production of Documents; and (d) other ESI-related issues that the parties reasonably believe may be worthwhile to discuss. C. Before filing any motion with the Court regarding ESI, the parties shall meet and confer in a good faith attempt to resolve any ESI-related disputes. D. Nothing in this Stipulation will affect in any way a producing party's right to seek reimbursement for document production costs. II. PROCESSING OF NON PARTY DOCUMENT; A. This Stipulation will cover joint processing of non party documents and specifications for production of non party documents. B. Unless otherwise agreed among the parties, the party that first issues a non party subpoena to a particular non party (the "First Party") will be responsible for: (1) taking reasonable steps to negotiate such that the non party's production shall be processed in accordance with the specifications in this Stipulation; and (2) distributing non party productions subject to this Agreement no later than two (2) business days of receiving the production (and in any event at least three days prior to any depositions of such non party or any present or former employee of such non party) to: James Sabella, Todd Geremia, and Brian Grube at the addresses listed in their respective signature block to this Stipulation. C. If a non party production is not Bates stamped, the First Party will provide unique prefixes and numbers to the vendor and will notify all parties of the Bates range and production. D. To the extent that a non party is making only identical productions in response to all subpoenas, to the extent practicable, that non party shall be instructed by the parties to the Action to make that one production to the First Party. After receipt of the production, the First Party shall undertake reasonable efforts to comply with Section III.B, above. E. To the extent that a non party is making distinct productions in response to different subpoenas, that non party will be instructed to make each distinct production to the party issuing the subpoena. The party in receipt of such distinct production shall undertake reasonable efforts to comply with Section III.B, above. III. PRIVILEGE; A. Consistent with Rule 502 of the Federal Rules of Evidence, the inadvertent production of any ESI to any party or non party in the Action, including any documents that previously may have been inadvertently produced in connection with the Regulatory Inquiries, as that term is defined in plaintiff's First Request for Production of Documents, or to another governmental agency in connection with the merger of Sirius XM's predecessors entities, shall not be asserted as a basis for the waiver of any privilege that would otherwise attach to such documents. The procedure for handling the inadvertent production of privileged materials specified in the Protective Order shall govern the inadvertent production of ESI containing information protected by the attorney-client

		privilege, work product doctrine, or another privilege or immunity. B. The parties will meet and confer, as may be appropriate, to identify means to reduce the burden of logging documents and ESI in any privilege log that may be produced in the Action. 11/17/2010	74	<p>OPINION AND ORDER #99666 re: 47 MOTION to Dismiss filed by Sirius XM Radio Inc., 54 MOTION to Bifurcate filed by Scott Byrd, Paul Stasiukevicius, Curtis Jones, Joshua Nathan, Janel Stanfield, Greg Lucas, James Sacchetta, James Hewitt, Melissa Fast, Glenn Demott, Charles Bonisignore, Todd Hill, Susie Stanaj, David Salyer, Paola Tomassini, Edward Leyba, Carl Blessing, Ronald William Kader, Andrew Dremak, Edward A. Scerbo, Brian Balaguera, John Cronin, Todd Stave, Kevin Stanfield. The motion to dismiss is GRANTED in part and DENIED in part. For the reasons given above, I find that the eleven plaintiffs named on May 3, 2010 were timely joined. Plaintiffs have stated claims under New York Gen. Bus. Law § 349 and Cal. Civ. Code §§ 1770(a)(5), (9), and (14), and provided sufficient notice as to damages. Likewise, Plaintiffs are not in breach of the notice requirements of Mass. Gen. Laws Ann. ch. 93A, § 9, and the Massachusetts claims may proceed. Claims under Cal. Civ. Code §§ 1770(a)(7), (16) and (19) are dismissed, as are the claims for breach of contract and breach of the covenant of good faith and fair dealing. The portion of Defendant's motion to dismiss that attacks Plaintiffs' standing to bring certain state law claims is DENIED, but may be renewed following my decision on the class certification motion if Article III standing concerns remain. The motion to bifurcate is DENIED. The Clerk of the Court is instructed to close this motion and remove it from my docket. 12/21/2010	76	<p>ENDORSED LETTER addressed to Judge Harold Baer, Jr. from Todd R. Geremia dated 12/21/10 re: counsel for defendant writes that if the Court is going to allow plaintiffs to submit this wholly improper motion seeking leave to amend their complaint for a third time in contravention of the Court's prior Orders and Individual Practices-and we respectfully submit that the Court should not Sirius XM requests that it be allowed 30 days to submit its response, which is less than the time it took plaintiffs to conceive and prepare this motion. ENDORSEMENT: For a myriad of reasons and I catalogue only a few the plaintiff's motion to amend is denied. My first order forbade more pleadings. My individual practices forbids it. Plaintiffs waived rights by failing to seek reconsideration or even leave to replead and finally there is nothing new to be said with respect to the claim. While I endeavor as does the philosophy behind the FRCP to try cases on their merits this application at this time with this background stretches credibility Denied.
