December 6, 2024

CINCINNATI, Dec. 6, 2024 /PRNewswire/ -- The Kroger Co. (NYSE: KR) (the "Company" or "Kroger") announced today that it has extended the expiration date of the previously announced offers to exchange (the "Exchange Offers") any and all outstanding notes (the "ACI Notes") of Albertsons Companies, Inc. (NYSE: ACI) ("ACI"), New Albertsons, L.P., Safeway Inc., Albertson's LLC, Albertsons Safeway LLC and American Stores Company, LLC, as applicable, for up to \$7,441,608,000 aggregate principal amount of new notes to be issued by the Company (the "Kroger Notes") and cash. Additionally, Kroger announced today that it has extended the expiration date for the related solicitations of consents (collectively, the "Consent Solicitations") to adopt certain proposed amendments (the "Proposed Amendments") to the indentures (collectively, the "ACI Indentures") governing the ACI Notes, solely with respect to the Unconsented Series (as defined in the Company's press release issued on September 11, 2024). The Company hereby extends such expiration date from 5:00 p.m. New York City time on December 9, 2024 to 5:00 p.m. New York City time on December 13, 2024 (as the same may be further extended, the "Expiration Date").

As of August 29, 2024, the requisite number of consents were received to adopt the Proposed Amendments with respect to the Consented Series (as defined in the Company's press release issued on September 11, 2024), and the relevant parties had executed supplemental indentures to the applicable ACI Indentures implementing the Proposed Amendments. The Proposed Amendments will only become operative upon the settlement of the Exchange Offers, which is expected to occur promptly after the Expiration Date.

Tenders of ACI Notes made pursuant to the Exchange Offers (but not consents delivered pursuant to the Consent Solicitations) may be validly withdrawn at or prior to the Expiration Date.

The Exchange Offers and Consent Solicitations are being made pursuant to the terms and subject to the conditions described in the confidential offering memorandum and consent solicitation statement dated August 15, 2024 (the "Offering Memorandum"), as amended by subsequent related press releases issued by the Company and as further amended by this press release, and is conditioned upon the closing of the merger of a wholly owned subsidiary of the Company with and into ACI, with ACI surviving the merger as a direct, wholly owned subsidiary of the Company (the "Merger"), which condition may not be waived by Kroger, and certain other conditions that may be waived by Kroger. **The closing of the Merger is not conditioned upon the completion of the Exchange Offers or Consent Solicitations.**

The settlement of the Exchange Offers and Consent Solicitations is expected to occur promptly after the Expiration Date and is expected

- the extent to which Kroger's sources of liquidity are sufficient to meet its requirements may be affected by the state of the financial markets and the effect that such condition has on its ability to issue commercial paper at acceptable rates. Kroger's ability to borrow under its committed lines of credit, including its bank credit facilities, could be impaired if one or more of Kroger's lenders under those lines is unwilling or unable to honor its contractual obligation to lend to Kroger, or in the event that global pandemics, natural disasters or weather conditions interfere with the ability of Kroger lenders to lend to Kroger. Kroger's ability to refinance maturing debt may be affected by the state of the financial markets;
- Kroger's ability to achieve sales, earnings, incremental FIFO operating profit, and adjusted free cash flow goals, which may be affected by: its proposed transaction with ACI including, among other things, Kroger's ability to consummate the proposed transaction and related divestiture plan, including on the terms of the Merger Agreement and divestiture plan, on the anticipated timeline, with the required regulatory approvals, and/or resolution of pending litigation challenging the Merger; labor negotiations; potential work stoppages; changes in the unemployment rate; pressures in the labor market; changes in government-funded benefit

businesses, and Kroger's ability to better serve its customers and to generate customer loyalty and sustainable growth through its strategic pillars of Fresh, *Our Brands*, Data & Personalization, and Seamless; the successful integration of merged companies and new strategic collaborations; Kroger's ability to maintain an investment grade credit rating; and the risks relating to or arising from its proposed nationwide opioid litigation settlement, including our ability to finalize and effectuate the settlement, the scope and coverage of the ultimate settlement and the expected financial or other impacts that could result from the settlement;

- Kroger's ability to achieve these goals may also be affected by its ability to manage the factors identified above. Kroger's ability to execute its financial strategy may be affected by its ability to generate cash flow;
- Kroger's effective tax rate may differ from the expected rate due to changes in tax laws or policies, the status of pending items with various taxing authorities, and the deductibility of certain expenses; and
- the outcome of the Exchange Offers and Consent Solicitations.

The Company cannot fully foresee the effects of changes in economic conditions on Kroger's business. Other factors and assumptions not identified above, including those discussed in the "Risk Factors" section of the Offering Memorandum, the "Risk Factors" section in Kroger's most recently filed Annual Report on Form 10-K and Quarterly Reports on Form 10-Q and in any subsequent documents that Kroger files with the U.S. Securities and Exchange Commission, could also cause actual results to differ materially from those set forth in the forward-looking information. Accordingly, actual events and results may vary significantly from those included in, contemplated or implied by forward-looking statements made by Kroger or Kroger's representatives.
