11/26/2013	450	DOCKET ENTRY ORDER -- Court staff held a conference with all counsel on November 26, 2013. It was agreed that plaintiffs and defendants will exchange redacted versions of the proposed findings and conclusions by December 3, 2013, for comments by each side. Following resolution of the comments, each side will file an interim redacted version of their proposed findings and conclusions on or before December 9, 2013, at 5:00 p.m. The interim redacted version is intended to give the public a quick look at the proposed findings and conclusions. But given the huge amount of material that needs to be reviewed by counsel, and the Thanksgiving holiday, the parties need more time to minimize the redactions. Therefore, the parties and third parties will then work together to minimize the redactions and file final versions soon after the interim version is filed. As guidance, redactions should not include any material that has been made public even if that material is otherwise contained in AEO designated documents. Signed by Judge B. Lynn Winmill. 03/19/2014	485	DOCKET ENTRY ORDER The Court will grant the defense request to bifurcate the attorney fee issues. The parties will address first the issue regarding entitlement to fees. The Court will grant reasonable page extensions on the briefing. The Court directs counsel to stipulate to a briefing schedule on the entitlement issues and page limitations for the Court to review and approve. Signed by Judge B. Lynn Winmill.
