II.

OBJECTIVES

A. The proposed Final Judgment filed in this case is meant to ensure Sellers’ prompt divestiture of the Divestiture Assets to Constellation (or other Acquirer), and the necessary and appropriate build-out and capacity expansion of the Piedras Negras Brewery by the Acquirer, for the purpose of establishing a viable competitor in the brewing and sale of Beer. If approved by

the Court, the proposed Final Judgment would fully resolve the United States' claims in this antitrust lawsuit, which sought to enjoin the acquisition by Defendant ABI of the remainder of Defendant Modelo that it does not already own. Under the parties' proposed settlement and Final Judgment, Constellation would acquire from Sellers the Divestiture Assets designed to allow Constellation to compete in the United States market as an integrated brewer, importer, and distributor of Modelo Brand Beers.¹

B. Central to the relief offered by the proposed Final Judgment is the requirement that Constellation (or other Acquirer) undertake certain actions to improve and expand the divested Brewery Assets, in order to render them sufficient to achieve the competitive objectives of the proposed Final Judgment. Constellation has agreed and wishes to be bound by the Final Judgment as a party-defendant, entry of which is contingent on Constellation's joinder. Constellation shares an interest in the resolution of this litigation and the relief contemplated by the proposed Final Judgment, and shares common issues of law and fact with the other Defendants, such that joinder is proper under Rule 20(a) of the Federal Rules of Civil Procedure.

C. This Stipulation and Order ensures that the relief afforded in the proposed Final Judgment will be effective, by: (1) prior to the proposed divestitures, ensuring that the Divestiture Assets remain independent, economically viable, and ongoing business concerns that will remain independent of Defendants and uninfluenced by Defendants except as specifically permitted herein, and that competition is maintained during the pendency of the ordered divestitures; and by (2) ensuring that all Defendants, including Constellation, will be bound by

¹ In the event that Constellation fails to complete the acquisition of the Divestiture Assets to which it has committed in the MIPA and the Stock Purchase Agreement, the Divestiture Assets would be sold to another Acquirer for the purpose of competing in the United States market as a brewer, importer, and distributor of Modelo Brand Beer.

the terms of the proposed Final Judgment during the settlement approval process that will occur under the Antitrust Procedures and Penalties Act, 15 U.S.C. § 16(b)-(h) (the “APPA”).

III.

JURISDICTION AND VENUE

This Court has jurisdiction over the subject matter of, and each of the parties to, this action. The Complaint states a claim upon which relief may be granted against Defendants ABI and Modelo under Section 7 of the Clayton Act, as amended (15 U.S.C. § 18). Pursuant to Section V of this Stipulation and Order filed simultaneously with the proposed Final Judgment, Constellation has consented to this Court’s exercise of personal jurisdiction over it. Venue of this action is proper in the United States District Court for the District of Columbia.

IV.

COMPLIANCE WITH AND ENTRY OF PROPOSED FINAL JUDGMENT

A. The parties stipulate that a proposed Final Judgment in the form filed simultaneously with this Stipulation and Order may be filed with and entered by the Court, upon the motion of any party or upon the Court’s own motion, at any time after compliance with the requirements of the APPA, and without further notice to any party or other proceedings, provided that the United States has not withdrawn its consent, which it may do at any time before the entry of the proposed Final Judgment by serving notice thereof on Defendants and by filing that notice with the Court. Defendants agree to arrange, at their expense, publication as quickly as possible of the newspaper notice required by the APPA, which shall be drafted by the United States in its sole discretion. The publication shall be arranged no later than three (3) business days after Defendants’ receipt from the United States of the text of the notice and the identity of the newspaper within which the publication shall be made. Defendants shall promptly send to the

United States (1) confirmation that publication of the newspaper notice has been arranged, and (2) the certification of the publication prepared by the newspaper within which the notice was published.

B. Defendants shall abide by and comply with the provisions of the proposed Final Judgment, pending the proposed Final Judgment's entry by the Court, or until expiration of time for all appeals of any Court ruling declining entry of the proposed Final Judgment, and shall, from the date of the signing of this Stipulation and Order by the parties, comply with all the terms and provisions of the proposed Final Judgment. The United States shall have the full rights and enforcement powers in the proposed Final Judgment, including Section XIV, as though the same were in full force and effect as the Final order of the Court.

C. Defendants shall not consummate the Transaction sought to be enjoined by the Complaint herein before the Court has signed this Stipulation and Order.

D. This Stipulation and Order shall apply with equal force and effect to any amended proposed Final Judgment agreed upon in writing by the parties and submitted to the Court.

E. In the event (1) the United States has withdrawn its consent, as provided in Section IV.A above, or (2) the proposed Final Judgment is not entered pursuant to this Stipulation, the time has expired for all appeals of any Court ruling declining entry of the proposed Final Judgment, and the Court has not otherwise ordered continued compliance with the terms and provisions of the proposed Final Judgment, then the parties are released from all further obligations under this Stipulation and Order, and the making of this Stipulation and Order shall be without prejudice to any party in this or any other proceeding.

F. Defendants represent that the divestitures and the build-out and capacity expansion of the Piedras Negras Brewery ordered in the proposed Final Judgment can be, and

Constellation represents that it will be done. Defendants will later raise no claim of mistake, hardship or difficulty of compliance as grounds for asking the Court to modify any of the provisions contained therein.

V.

JOINDER OF CONSTELLATION AS A DEFENDANT

It is hereby stipulated and agreed by and between Plaintiff, Sellers, and Constellation that, upon approval and entry by the Court, Constellation Brands, Inc. be added as a defendant in this action for purposes of settlement and for entry of the proposed Final Judgment. Constellation Brands, Inc.'s Motion to Intervene, filed on February 7, 2013 (Dkt. 13), is hereby deemed withdrawn without prejudice.

VI.

HOLD SEPARATE AND PRESERVATION OBLIGATIONS

Until the divestitures required by the proposed Final Judgment have been accomplished:

A. During the period between entry of the Stipulation and Order and the completion of the Transaction, (i) Modelo, without influence from ABI, shall continue to manage and operate the Brewery Assets and Divested IP Assets in accordance with past practice and shall do nothing that would impair, delay, or prevent their sale, or the build-out and capacity expansion of the Piedras Negras Brewery by Constellation or another Acquirer, in accordance with the proposed Final Judgment, and (ii) Modelo and Constellation, each without influence by ABI, shall continue to manage Crown in accordance with past practice, and shall do nothing that would impair, delay, or prevent the sale of Crown in accordance with the proposed Final Judgment. Defendants shall ensure that the books, records, competitively sensitive sales, marketing, and pricing information, and decision-making associated with the Brewery Assets,

Divested IP Assets, and Crown will not be disclosed to or shared in any way with ABI; provided, however, that Crown may share with an ABI-Owned Distributor information consistent with past practice and necessary for the sale of Modelo Brand Beer by that ABI-Owned Distributor. ABI shall implement and maintain reasonable procedures to prevent the further disclosure of such information by the ABI-Owned Distributor to any person who does not have a need to know the information for that purpose.

B. Within ten (10) days after the completion of the Transaction, Defendants shall take all reasonable steps necessary to ensure that, as further set forth in Sections VI - IX, (1) the Brewery Assets, Divested IP Assets, and Crown, respectively, will be maintained and operated as independent, ongoing and economically viable assets; (2) management will be provided for the Brewery Assets, Divested IP Assets, and Crown (including the Crown Board of Directors) that is separate from the management of ABI's other operations; (3) the management of the Brewery Assets, Divested IP Assets, and Crown will not be influenced by ABI; and (4) the books, records, competitively sensitive sales, marketing and pricing information, and decision-making associated with the Brewery Assets, Divested IP Assets, and Crown will be kept separate and apart from ABI's other operations; provided, however, that Crown may share with an ABI-Owned Distributor information consistent with past practice and necessary for the sale of Modelo Brand Beer by that ABI-Owned Distributor. ABI shall treat any information so received in accordance with the last sentence of Section VI.A herein. Within twenty (20) days after the completion of the Transaction, Defendants will inform the United States of the steps Defendants have taken to comply with this Stipulation and Order.

C. The obligations in Paragraphs D through J below shall take effect upon the entry of this Stipulation and Order.

D. Defendants shall use all reasonable efforts to maintain and increase the sales, revenues, shelf-space, and distribution in the United States of Modelo Brand Beer, and shall maintain at calendar year 2012 or previously approved levels for calendar year 2013, whichever are higher, internal research and development funding, promotional, advertising, sales, technical assistance, marketing and merchandising support for Modelo Brand Beer for consumption in the United States. Defendants shall also ensure that all plans and efforts to improve current products sold in the United States or to introduce new products for sale and consumption in the United States using the Brewery Assets, Divested IP Assets, and Crown are continued.

E. Defendants shall not coordinate the pricing, sale, marketing, distribution, operation, production, or any other component of the operation or management of the Brewery Assets, the Divested IP Assets, or Crown with any of ABI's operations or products, except to the extent such coordination would occur pursuant to the Sub-License Agreement, Transition Services Agreement, or Interim Supply Agreement, or as required by the MIPA or the Stock Purchase Agreement. For the purpose of this Paragraph, Crown's sales of Beer to an ABI-Owned Distributor, and the communications necessary to such sales and consistent with past practice, shall not constitute coordination, provided ABI has implemented the procedures set forth in Paragraph VI.A.

F. Defendants shall use their best efforts to preserve existing relationships with each of the suppliers, distributors, wholesalers, customers and other business entities related to the manufacture, importation, distribution, marketing, and sale of Modelo Brand Beer for consumption in the United States, in the ordinary course of business and in accordance with past practice.

G. Defendants shall not, except as part of a divestiture approved by the United States in accordance with the terms of the proposed Final Judgment, remove, sell, lease, assign, transfer, pledge or otherwise dispose of any of the Brewery Assets, Divested IP Assets, or Crown, other than the sale of Beer inventory.

H. Defendants shall maintain, in accordance with sound accounting principles, separate, accurate, and complete financial ledgers, books and records that report on a periodic basis, such as the last business day of every month, consistent with past practices, the assets, liabilities, expenses, revenues and income of the Brewery Assets, Divested IP Assets, and Crown.

I. Defendants shall take no action that would jeopardize, delay, or impede the sale of the Brewery Assets, Divested IP Assets, and Crown, or the build-out and capacity expansion of the Piedras Negras Brewery by Constellation or another Acquirer, in accordance with the proposed Final Judgment.

J. Defendants shall take no action that would interfere with the ability of any trustee appointed pursuant to the proposed Final Judgment to complete the divestitures pursuant to the proposed Final Judgment to an Acquirer acceptable to the United States.

VII.

ADDITIONAL HOLD SEPARATE AND PRESERVATION OBLIGATIONS WITH RESPECT TO THE BREWERY ASSETS

Until the divestitures required by the proposed Final Judgment have been accomplished:

A. Prior to the completion of the Transaction, Modelo shall manage and operate the Brewery Assets consistent with the requirements of Section VI.A.

B. After the completion of the Transaction and subject to the approval of the United States in its sole discretion, Sellers shall appoint a person or persons to oversee the Brewery

Assets who will be responsible for Sellers' compliance with this Stipulation and Order with respect to such assets. Such person or persons shall have complete managerial responsibility for the Brewery Assets, subject to the provisions of the proposed Final Judgment. In the event such person or persons are unable to perform their duties, Sellers shall appoint, subject to the approval of the United States in its sole discretion, a replacement within ten (10) working days. Should Sellers fail to appoint a replacement acceptable to the United States within this time period, the United States shall appoint a replacement.

C. The obligations in Paragraphs D through G below shall take effect upon the entry of this Stipulation and Order.

D. Sellers shall take all steps necessary to assure that the Brewery Assets are maintained as separate, distinct, and saleable assets, apart from other assets of Sellers. Sellers shall preserve the documents, books, and records relating to the Brewery Assets until the date of divestiture.

E. Sellers shall take all steps necessary to ensure that the Brewery Assets are fully maintained in operable condition at no less than their current Nominal Capacity and shall maintain and adhere to normal repair and maintenance schedules for such assets.

F. Sellers shall provide sufficient working capital and lines and sources of credit to continue (1) to maintain the Brewery Assets as economically viable and competitive, ongoing facilities, and (2) to produce and sell Modelo Brand Beer to Crown for distribution, marketing and consumption in the United States at calendar year 2012 volumes or previously approved volumes for calendar year 2013, whichever are higher, consistent with the requirements of Sections VI.B, VI.D, and VII.D.

G. Sellers' employees assigned to the Brewery Assets shall not be transferred or reassigned to other areas within Sellers' business, except for transfer bids initiated by employees pursuant to Sellers' regular, established job posting policy. Sellers shall provide the United States with ten (10) calendar days notice of such transfer.

VIII.

ADDITIONAL HOLD SEPARATE AND PRESERVATION OBLIGATIONS WITH
RESPECT TO THE DIVESTED IP ASSETS

A. Prior to the completion of the Transaction, Modelo shall manage and operate the Divested IP Assets consistent with the requirements of Section VI.A.

B. After the completion of the Transaction, and subject to the approval of the United States in its sole discretion, Sellers shall appoint a person or persons to oversee the Divested IP Assets, and who will be responsible for Sellers' compliance with this Stipulation and Order with respect to such assets. Such person or persons shall have complete managerial responsibility for the Divested IP Assets, subject to the provisions of the proposed Final Judgment. In the event such person or persons are unable to perform their duties, Sellers shall appoint, subject to the approval of the United States in its sole discretion, a replacement within ten (10) working days. Should Sellers fail to appoint a replacement acceptable to the United States within this time period, the United States shall appoint a replacement.

C. Upon entry of this Stipulation and Order, Sellers shall take all steps necessary to preserve and maintain the value and goodwill of the Divested IP Assets.

IX.

ADDITIONAL HOLD SEPARATE AND PRESERVATION OBLIGATIONS WITH
RESPECT TO CROWN

Until the divestitures required by the proposed Final Judgment have been accomplished:

A. Prior to the completion of the Transaction, Crown will continue to be operated in accordance with past practice. For the avoidance of doubt, Modelo will ensure that its managers and appointees to Crown's Board of Directors will have no contact with, and will remain uninfluenced by, ABI regarding Crown during this period.

B. After the completion of the Transaction, and subject to the approval of the United States in its sole discretion, Defendants shall appoint the President of Crown (the "President") to oversee Crown's day-to-day business, and shall maintain Crown (including its current President and Board of Directors) as an independent company uninfluenced by Modelo and Constellation in the conduct of its day-to-day business. Modelo's and Constellation's appointees to the Crown Board of Directors may continue to carry out their Board-level responsibilities and functions during this time subject to the other requirements of this Order, but Defendants shall continue to ensure that Modelo's appointees to Crown's Board of Directors shall have no communications with, nor be influenced by, ABI's United States business. Defendants shall delegate to the President all authority necessary for the President to manage Crown in compliance with Defendants' responsibilities under this Stipulation and Order and the proposed Final Judgment. The President shall have complete managerial responsibility for Crown's day-to-day business, subject to the provisions of the proposed Final Judgment. In the event the President is unable to perform his or her duties, Defendants shall appoint, subject to the approval of the United States in its sole discretion, a replacement within ten (10) working days. Should Defendants fail to appoint a replacement acceptable to the United States within this time period, the United States shall appoint a replacement.

C. The obligations in Paragraphs D through I below shall take effect upon the entry of this Stipulation and Order.

D. Defendants shall preserve, maintain, and continue to operate Crown as an independent, ongoing, economically viable competitive business, with management, sales and operations of such assets held entirely separate, distinct and apart from those of Defendants' other operations.

E. ABI shall not influence or attempt to influence any operational or financial decision of Crown, and Sellers shall not obtain, directly or indirectly, any competitively sensitive information including, but not limited to, information relating to pricing, marketing, and sales of Modelo Brand Beer except (1) information that is clearly necessary for Sellers to comply with federal, state, or local laws and regulations, and (2) information that is clearly necessary for Defendants to carry out their obligations under the Joint Venture or under any agreement with Crown or Constellation, including without limitation agreements with ABI-Owned Distributors for the distribution of Modelo Brand Beer, the Transition Services Agreement and the Interim Supply Agreement.

F. Defendants shall provide sufficient working capital and lines and sources of credit to continue (1) to maintain Crown as an economically viable and competitive, ongoing business, and (2) to continue to import, distribute, market, and sell Modelo Brand Beer for consumption in the United States at calendar year 2012 volumes or previously approved volumes for calendar year 2013, whichever are higher, consistent with the requirements of Sections VI.B, VI.D, and IX.D.

G. Defendants shall take all steps necessary to ensure that tangible Crown assets are fully maintained in operable condition at no less than their current capacity and sales, and shall maintain and adhere to normal repair and maintenance schedules for such assets. Defendants

shall take all steps necessary to preserve and maintain the value and goodwill of intangible Crown assets.

H. Crown employees with primary responsibility for distribution, sale, marketing, promotion, and advertising shall not be transferred or reassigned to other areas within Crown's business, or employed by Defendants, except for transfer bids initiated by employees pursuant to Crown's or Defendants' regular, established job posting policy. Defendants shall provide the United States with ten (10) calendar days notice of such transfer. Defendants shall otherwise make no offer of employment to any employee of Crown.

I. In the event that it becomes apparent to Sellers that a sale of the Divestiture Assets to Constellation will not be completed, Sellers shall promptly notify the United States and the Court in writing of such, and shall provide a copy of the notice to Constellation. Upon receipt of such notice, Constellation shall undertake the obligations of Sellers or ABI, as the case may be, in this Section IX.

X.

**DURATION OF HOLD SEPARATE AND
ASSET PRESERVATION OBLIGATIONS**

Defendants' obligations under Section VI, VII, VIII and IX of this Stipulation and Order shall remain in effect until (1) consummation of the divestitures required by the proposed Final Judgment or (2) until further order of the Court. If the United States voluntarily dismisses the Complaint in this matter, Defendants are released from all further obligations under this Stipulation and Order.
