SUPPLEMENTAL JUROR QUESTIONNAIRE

This questionnaire has been approved by the Court and is to be filled out by each prospective juror in this case. This information is designed solely to save time and assist the Court and the parties in selecting jurors for the trial. This information will not be used for any other purpose except to select a jury.

The questions asked in this questionnaire could be asked in open court. You are given more privacy by answering them in this questionnaire. **YOU ARE UNDER OATH AND ARE REQUIRED TO ANSWER THE QUESTIONS TRUTHFULLY. THE INFORMATION PROVIDED IS EXCLUSIVELY FOR SELECTION OF JURORS. YOUR ANSWERS MUST BE COMPLETE AND ACCURATE, UNDER PENALTY OF PERJURY.** Please read each question carefully and answer each question completely. Please write your answer clearly and firmly.

As you are filling out the questionnaire, you are instructed not to discuss your answers with anyone, including your fellow jurors. It is important that your answers be yours and yours alone.

Please answer each question as fully as you can. Being open and honest with your answers is critical. These questions are not meant to invade your privacy, but to help select a fair and impartial jury for this case. There may be some questions that touch on matters that you consider personal, private or otherwise sensitive. In order to select a fair and impartial jury, however, it is important that the Court and the lawyers have your complete and truthful answers to these kinds of questions.

Do not leave any questions blank. If a question does not apply to you in any way, write "N/A" (for "not applicable"), rather than leaving the form blank. If you do not understand the question or do not know the answer, please write that response in the space provided for the answer. If you feel the answer is too personal, please say so in the space provided. You will have the opportunity to discuss your answer privately. If you need more space for your response, or wish to make further comments about any question, please use the extra sheet attached to the back of the questionnaire; do not write on the back of any page. If you use the explanation sheets, please be sure to indicate which numbered question you are answering.

From this moment going forward, and until you are released from the jury selection process, you must not communicate with anyone about this case or your role as a prospective juror, including your family and friends. This is because the court requires you to use only the information/evidence you receive in court to make your decisions and to be free from outside influences. You must not read anything about the case or listen to any reports about the case.
