05/03/2006	<u>11</u>	Minute Entry for proceedings held before James Orenstein : Initial Conference Hearing held on 5/3/2006. SCHEDULING: The next status conference will be held on June 14, 2006, at 2:00 p.m. THE FOLLOWING RULINGS WERE MADE: (1) The parties will submit simultaneous letters on May 12, 2006, regarding the authority for a stay of all discovery pending the resolution of anticipated motions for dismissal. The defendants' submission will also include objections or proposed alternative deadlines in the event discovery is not stayed. (2) The issue of the timing of the defendants' answers was not addressed at today's conference. The parties' counsel are directed to meet and confer and make either a joint proposal, or competing proposals for the deadline for each defendant to answer. In the absence of agreement, the parties

		<p>should address whether there is any reason to extend any properly served defendant's deadline for answering past May 23, 2006. (3) I will enter a separate pretrial order governing other aspects of pretrial procedures as discussed at today's conference. (4) The law firm of Sidley Austin LLP, by attorney Joel M. Mitnick, was permitted to appear on behalf of the Ministry of Commerce of the People's Republic of China as <i>amicus curiae</i> for purposes of today's conference. I thank Mr. Mitnick and his client for their participation and assistance, and look forward to their continued participation and assistance as the parties and the court grapple with the practical discovery and litigation challenges that may arise in this historic case. Accordingly, <i>amicus</i> is invited to appear through counsel at all future conferences before me in this litigation, and need not secure permission to do so in advance. To the extent <i>amicus</i> wishes to be heard with respect to the anticipated dispositive motions or other matters before Judge Trager, counsel must seek the court's permission.</p> <p>Associated Cases: 1:06-md-01738-DGT-JO,1:05-cv-00453-DGT-JO,1:05-cv-06059-DGT-JO,1:06-cv-00149-DGT-JO, 1:06-cv-00988-DGT-RML (Orenstein, James) (Entered: 05/03/2006)</p>

10/25/2007	197	Minute Entry for proceedings held before James Orenstein : Telephone Conference held on 10/25/2007. After hearing from Mr. Mason, counsel for SJZ USA, and representatives of the plaintiffs, I concluded that no disposition of Mr. Mason's pending motion to withdraw will have any effect on the rights or obligations of any party. Accordingly, the motion is moot and is denied on that basis. I note in addition that there is no reason to believe that SJZ USA is

		unable to cure the disability that currently prevents it from allowing its counsel to take action on its behalf in these proceedings; for that reason, allowing counsel to withdraw would create the risk of an otherwise unnecessary default. (Orenstein, James) (Entered: 10/25/2007)

05/08/2008	278	Minute Entry for proceedings held before Magistrate Judge James Orenstein: Motion Hearing held on 5/8/2008 re 261 MOTION to Compel filed by Animal Science Products, Inc. SCHEDULING: The next status conference will be held on June 17, 2008, at 2:00 p.m. THE FOLLOWING RULINGS WERE MADE: I heard argument on the Class Plaintiffs' motion to remove the confidentiality designations of a group of documents produced by the manufacturer defendants. See DE 261 . After discussing the matter with counsel as set forth in the record, I ruled that, to the extent the information at issue in the motion reflects information shared between competitors, the defendants failed to meet their burden of demonstrating that such information is "of a proprietary or commercially sensitive nature or should otherwise be subject to confidential treatment" simply because the information was shared pursuant to a mandate of the Chinese government but had not otherwise been disseminated. The parties will confer as to whether that ruling applies to all of the information at issue in this motion or whether, instead, there are certain documents as to which the designation of confidentiality rests on some other basis. If the parties remain in dispute as to such documents, they will submit the matter to me by means of letter-motion. (Court Reporter Gene Rudolph.) 07/11/2008	312	PRETRIAL ORDER 7: I have reminded counsel repeatedly about the importance of avoiding the multiplication of electronic filings when docketing a submission in the Master File of this multidistrict litigation. Most recently, I reminded counsel at a conference before me on May 8, 2008. Docket Entry ("DE") 311 at 3 (Transcript of Proceedings). More thoroughly, I explained the need to avoid spreading text in a memorandum distributed to counsel on August 22, 2006. <i>See</i> Attachment 1. This obligation has been imposed on counsel almost since this case's inception. Pretrial Order 1 (Master File docket entry 12) requires any attorney docketing a submission in this case "[t]o avoid duplicate filings and notice of filings [by] select[ing] NO when prompted whether to spread text." Pretrial Order 1 at 2. Counsel is reminded for a final time to make certain to file docket submissions <i>only</i> in the MDL Master Docket (06-MD-1738). Do not "spread text" from the MDL to the dockets of individual cases, and do not docket submissions in those individuals cases. Failure to comply with this order will result in an order to show cause why I should not impose sanctions. Ordered by Magistrate Judge James Orenstein on July 11, 2008. 08/20/2008		ORDER denying 314 Motion for Protective Order; denying 315 Motion for Protective Order -- I deny the defendants' motions for a protective order vacating the notices for depositions pursuant to Federal Rule of Civil Procedure 30(b)(6). The defendants have not persuaded me that the notices are improper. To the extent that the defendants invoke a rule pursuant to which I "must," if the rule is applicable, limit the extent of discovery, I find that they have not met their burden of showing that the discovery the plaintiffs seek is "unreasonably cumulative or duplicative, or can be obtained from some other source that is more convenient, less burdensome, or less expensive[.]" Fed. R. Civ. P. 26(b)(2)(C)(i). Specifically, the type of information the plaintiffs seek is properly discoverable, and cannot be completely obtained through written questions (which do not allow for immediate follow-up). As a result, the defendants have not demonstrated that there is a "more convenient, less burdensome, or less expensive" way for the plaintiffs to get the full extent of the information to which they are entitled under Rule 30(b)(6). Even if it is true, as the defendants argue, that the parties' overall discovery burdens could have been lessened if the plaintiffs had noticed the Rule 30(b)(6) depositions sooner, that fact would neither establish that there are less burdensome alternatives available now, or that the plaintiffs are solely responsible for the lack of planning that will result in a less efficient course of discovery. Moreover, the defendants have also failed to demonstrate that the information the plaintiffs seek is "unreasonably cumulative or duplicative" based on the fact that other individual employees of the defendants have testified. Accordingly, Rule 26(b)(2)(C)(i) does not require the relief the defendants seek. Ordered by Magistrate Judge James Orenstein on August 20, 2008. (Kochendorfer, Kate) (Entered: 08/20/2008)

04/12/2013		ORDER in case 1:05-cv-00453-BMC-JO; terminating (689) Motion for Judgment as a Matter of Law; terminating (691) Motion for Judgment as a Matter of Law in case 1:06-md-01738-BMC-JO. Rule 50(b) provides that a party may file "a" renewed motion for judgment as a matter of law; it does not provide that a party may file three motions for judgment as a matter of law. It is unclear why defendants felt the need to file three motions instead of one motion with their different grounds for relief. The latter two motions are therefore terminated. The court will consider the grounds raised in those motions as part of its determination of motion 688. Defendant is directed not to refile. Ordered by Judge Brian M. Cogan on 4/12/2013. 02/12/2014	834	ORDER granting 824 Motion for Reconsideration: The motion for reconsideration is granted. Plaintiffs have now belatedly made clear that the fee award they requested was not to be paid to Class Counsel, but to the Direct Purchasers themselves. Because the full amount of each settlement will already be offset against the total damages owed by defendants, off-setting the portion of those settlements paid as fees to Class Counsel money already included in the settlement totals would be double counting. The Clerk is therefore directed to enter a Third Amended Judgment and Final Decree in the amount of \$147,831,471.03 with interest <i>nunc pro tunc</i> to March 14, 2013. Ordered by Judge Brian M. Cogan, on 2/11/2014. (Barrett, C) (Entered: 02/12/2014)
