PAPERS ARE DUE BY THE LAST DAY OF EXAM PERIOD (May 16, 2019)

You should expect adjustments in the schedule as we go through the course. I will send an email with a roadmap to the required reading for each future class. The required reading will always be on the Applied Antitrust.com web site, but the roadmap will provide you with some guidance as to how the reading will fit together with the class. I will try to send the email at least five or six days before each class.
